Column	Title	Description
P-U	Links	Active hyperlinks to relevant case information: docket page, questions presented sheet, transcript, audio (mp3), opinion, SCOTUSblog page
V	DateGranted	Date the Supreme Court granted certiorari, noted probable jurisdiction, postponed the determination of jurisdiction, or set an original case for oral arguments
W	PTW	Notes where a case appeared as a Petition to Watch on SCOTUSblog prior to being granted. Available identifiers: PTW MISS IFP Conflict
X	Recused	
Y	DateArgued	
Z	Sitting	Notes the oral argument sitting during which a case was heard. Sittings often cross over into different calendar months.
AA	Grant-Arg	The number of days between DateGranted (V) and DateArgued (Y)
AB-AI	Advocates	Advocates who argued before the Court and their respective states. Occasionally an advocate, usually from the Office of the Solicitor General, would appear without a clearly designated position. Judgment calls were made to assign them a more conventional argument position.
AJ	FirstQuestioner	Notes which Justice spoke first during each oral argument
AK	TotalQs	The total number of “questions” asked during oral arguments. The number of “questions” per argument is simply the number of times a given Justice’s name appears in the argument transcript in capital letters. Chief Justice Roberts’ total is adjusted to discount his routine administrative comments.
AL-AT	Individual Justice Qs	The number of questions asked by each Justice during oral argument

Column	Title	Description
AU	R	Sequential number assigned by the Reporter of Decisions after the particular case was issued.
