* In *Burwell v. Hobby Lobby Stores*, Justices Breyer and Kagan signed a single dissenting opinion. As a result, both authors have been credited with releasing one dissenting opinion each in that case. However, to acknowledge that only one dissenting opinion was produced in the case, the total number of dissenting opinions and the total number of opinions for the Term have been manually adjusted to count only one dissenting opinion from that case. A similar treatment was given to co-authored dissenting opinions in *Comcast Corp. v. Behrend* during OT12 and *National Federation of Independent Businesses v. Sebelius* during OT11.
